PRESTON MATCH, GROUND TO BE INVESTIGATED

The State League Management Comittee will hold an investigation into the Preston - Polonia match, which could notbe played at Collien Street Reserve last week.

Hundreds of supporters were turned away after the referee declared the ground unfit for play.

A special meeting has been called within seven days to consider the referee's report and the clubs' official viewpoint.

The V.A.S.F.A Council on Tuesday night endorsed the action of the State League Management Committee.

The actual decision on the result of the match, awarding of points and infliction of penalties will be dealt with in due course by the Investigation and Disciplinary Committee.

Melita Club's Bond

Following the hearing of evidence concerning the abandonment of the Trident-Melita match on June 18, the Disciplinary Committee adjudged Melita players and officials responsible for the hostile atmosphere which led to the abandonment of the match.

Melita was told that it had forfeited its £10 good-behaviour bond, and that it must deposit a new bond of £15 as a guarantee of its good behaviour for the remainder of the season.

● *NORTH*

AS predicted last week, every team selected to win did so, and except in the case of the St. Albans-I.C.I. match, the winning margins were convincing.

The top five teams beat the bottom five, and therefore there's no change on the ladder.

Lions and Collingwood with clear-cut victories on Saturday are breaking away from the rest of the field, and the third team, Williamstown, appears to have little chance of catching them.

Second Division Notes

by Russell Lea

St. Albans and I.C.I. played a close game at St. Albans, with the home team winning 4-3. Both teams are likely to gain victories today at the expense of Fairfield and Heidelberg.

Collingwood play Norlane-Olympia at home in the match of the day. It will be close as Norlane-Olympia are now playing more determined football. They could cause an upset by inflicting Collingwood's second defeat for the season.

Williamstown play Seymour in another even match. Although Williamstown is third and Seymour sixth, their standard of play is very close and the fitter team should win. If Seymour score first they may win as Williamstown's defence is suspect when the pressure is on.

Likely winners today are: **Norlane-Olympia, St. Albans, I.C.I., Lions, Seymour.**

● *SOUTH*

The team placings on the ladder in the Second Division South, like its counterpart, North, underwent no change last Saturday. It appears that only Oakleigh has any chance of stopping the leaders, Ferntree Gully and Frankston.

Rosebud, the other team with a show, failed dismally against North Richmond and seems to have lost any opportunity it once had.

Ferntree Gully and Frankston again had convincing victories, this time against F.N.D. and Moorabbin, while Oakleigh overcame stern opposition to defeat Makedonia 1-0.

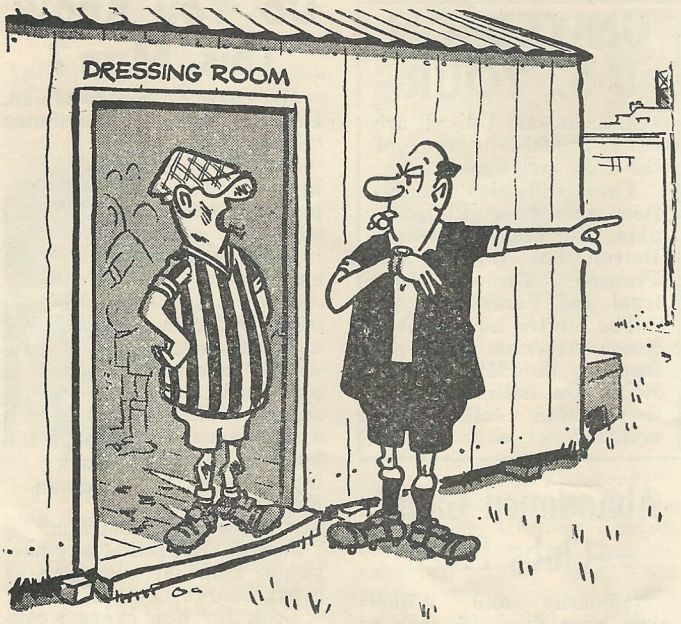
Match of the day on Saturday should be between Ferntree Gully and Croydon. Although I predict Ferntree Gully to win, I believe that if Croydon keep the ball on the ground with short snappy passing they could beat Gully.

Moorabbin and Bayswater, who play Rosebud and Makedonia respectively, could both cause upsets.

The home teams — Moorabbin and Bayswater — both play well at home and on a dry day there's not much difference between the standard of these teams as compared with Rosebud and Makedonia.

Nth. Richmond meet Oakleigh in the other game and Oakleigh should win

Likely winners: Moorabbin, Frankston, Ferntree Gully, Bayswater, Oakleigh.



"I know we're late for the second 'alf, mate, but it can't be 'elped—there's only one bottle opener between the eleven of us."

BLOW TO HELLAS!

Leading First Division club, South Melbourne-Hellas, received a blow last week when two of their star players were injured.

The two players are left-back, Ieremedias and Captain Georgousis.

Ieremedias received a broken nose in the opening minutes of the game against University and Georgousis pulled a thigh muscle.

As a result of the injuries both could be unavailable for today's fixtures against Sicilia.

But as Sicilia are having a bad run of defeats recently the Greek team are not worried about their prospects.

Last week Hellas left six of their regular first team out of their side in preparation for the World Cup game against Austria.

Club chairman, Theo Marmaras, had a winning idea when he decided to arrange a special guest room at Olympic Park last Sunday.

Officials, Committeemen, non-Greek club players, the Greek Consul and Mr. Dwyer from the Immigration Dept., who has been most helpful in bringing in players to Australia from Greece, enjoyed an excellent view of the game.

GEELONG HIT BY LACK OF GAMES

Things are not going too good in the Geelong soccer world.

Macedonia withdrew recently and this week DSG did not field a team and withdrew from further competition.

Corio did not turn up last week to compete against Scottish.

The only game played was Zagreb v. Geelong SC and this game resulted in a win for Zagreb 3-2.

Norlane-Olympia defeated Seymour 4-1.

Seymour has a very eager and promising team and up to the half-time the result was doubtful.

Seymour scored once and Veldhuizen scored for Olympia before half-time. After the interval reserve player Kwinkelberg with a classic header put Olympia in front.

Veldhuizen netted number 3 and Kwingelberg scored a beautiful goal to make it safe for Olympia.

HELLAS TEAM

South Melbourne - Hellas team for today will be chosen from: Karpousas, Piccolas, Pippis, Eagleton, Nanos, Kourkoulakos, Fortamanos, Budgen, Hatzelefriou, Karayianis, Papadopoulos, Georgousis.

WHAT WE SAY

MANY readers have asked for clarification regarding the TWO Best and Fairest competitions likely to be in operation next year.

By a typographical error "The Sporting Globe" award was announced last week as Best and Fairest.

Mr. Geoff. Hawksley. "Sporting Globe" Editor, did in fact offer a trophy for the Best to be judged by "The Sporting Globe" writers next year.

As our readers know a Fairest and Best award has been operating for many years, thanks to the efforts of the veteran soccer writer, Bill Fleming.

We refer to "The Argus" award, which is Bill's property, and continues to be awarded every year on ABV2.

The points for this award are given every week by the referees and the sealed envelopes are kept until the end of the year.

Next year, therefore, State League players will be competing for two coveted trophies

"The Argus Medal" for Best and Fairest and "The Sporting Globe Trophy," for the best player.

Former Juventus Star Banned

Beppi Plateo, former star Juventus forward and now registered with Sicilia, has been suspended sine die for his persistent failure to appear before the Disciplinary Committee when summoned to do so.

Plateo had been sent off the field for allegedly attempting to kick Lars, of Moonee Ponds.

Four players suspended

The following players have been suspended by the Disciplinary Committee for alleged violent conduct in various matches:

- J. Sonsimi, Fiorentina, right full-back, for allegedly kicking a St. Albans player —4 matches.
- H. Sewa, Lions inside-right, for allegedly kicking a Ferntree Gully opponent—4 matches.
- P. Gauci, Melita centre-forward, for allegedly kicking a Trident opponent — 4 matches.
- W. Nispen, Hollandia centre-half, for allegedly kicking a D.S.G. opponent—4 matches.

UNITED ON U.S. TOUR

Manchester United are on a 12,000-mile tour of the U.S. and Canada.

They will play exhibition games at Philadelphia, St. Louis, Chicago, Detroit, Los Angeles, San Francisco, Toronto, Montreal and Vancouver.

The United have visited North America twice before — in 1950 and in 1952. On both occasions they won all their matches.

Abandoned Game —Clubs Fined

Melbourne and Wilhelmina were fined £5 each as a result of the abandonment of their Reserves match at Hawthorn on June 4.

Evidence indicated that a brawl between players flared up suddenly at 88 minutes, and a Wilhelmina supporter ran on to the field and joined in.

By the time the referee had restored order, players of both sides had sustained injuries and several Melbourne players had left the field.

Melbourne's captain then allegedly refused to call his players back on and the referee abandoned the match.

Melbourne was fined for its refusal to finish the match, and Wilhelmina for failing to keep spectators off the touchline and behind the rail provided for the purpose.

The result of the match: Wilhelmina 1, Melbourne 0 —was allowed to stand.

SLAVIA'S INJURIES

Slavia had more than their share of injuries in he Hakoah game. Angstenberger, the star inside-forward who finished the game in spite of a painful ankle injury, will spend three days in bed and will probably be out for two weeks. Rambousek, the inside-left, has been X-rayed for suspected fracture, but his shoulder injury is not as serious as feared. He is doubtful for this week.

Balish and Bell were also treated during the game and Barotajs carries boot-marks on his forearm. Slavia committee was concerned at the way the referee ignored early incidents and allowed the game to become rough.

THE WORLD OF SOCCER

By JIM COOK

BURNLEY, the English League champions, have three top class goalkeepers on their staff.

Holding down No. 1 position is 23-year-old Aberdeen boy, Adam Blacklaw, who has represented Scotland in the Under 23 nationals.

Blacklaw last season replaced England's keeper, Colin McDonald, who broke a leg but is now challenging for his old position.

Keeper No. 3 is considered a top English prospect. His name is Jimmy Furnell.

Melita Player Gets Life

Melita player, Eddie Zammitt. was suspended sine die by the Disciplinary Committee last week for allegedly assaulting the referee in the match against Trident on June 18.

Referee Sarto reported that he had just signalled half-time when Zammitt approached him, questioned the time played, then punched and kicked him.

RICHMOND RISE

Richmond joined Geelong, the League leaders, after a win over Sandringham last week, and the German club is now flat out for promotion. This team is a good blend of speed and solidity. The pace and distribution of centre-forward Klein open up many opportunities, while a solid defence is built round left-back Larsen.

An important part of RICHMOND'S success lies in the tireless play of wing-halves Eggert and Faltyn, and these two players were conspicuous in last week's victory. When the grounds dry out, RICHMOND will display even better football than they have to date.

GEELONG dropped a valuable point to the improving BRIGHTON side and they can't afford any more errors if they are to acheive their ambition of reinstatement to State League soccer in 1961. Both Richmond and Geelong should be untroubled today against Prahran and Sandringham respectively.

Sandringham have not fulfilled their early promise despite the consistent good performances of goalie John Slade and centre-half, Jim Ward, and they are now very close to the relegation zone.

Austria's premiership prospects will be given a real test today against Brighton and the question is whether Austria's smooth combination can overcome the robust, hard-tackling of the physically stronger Brighton team. I favour Austria to win.

South Yarra notched a valuable point by drawing with Dandenong and face a vital match today against Park Rangers. A win by either club could take them out of the relegation zone, at least temporarily, and this should be a close contest with South Yarra favoured to win. Dandenong, at home to Yallourn, may find the Latrobe Valley boys just a shade too good, although Yallourn are not the team they were earlier in the season.

Today's selections are—**Austria, South Yarra, Yallourn, Richmond** and **Geelong.**

Boys Wanted

Boys between the age of 12 and 14 years are wanted to sell "Soccer News" at soccer grounds throughout Melbourne suburbs. Applicants must be intelligent and trustworthy.

They should contact Mr. Jack Coldman, 8 Namron Street, East Bentleigh, by letter for an appointment.

★ NORTH

South Melbourne - Hellas are coasting along comfortably at the head of the ladder and are long odds-on for the premiership and coveted promotion. Popular Des Hamilton has been close to winning premierships with South Melbourne in previous years but he could never have been more justifiably confident of success than he is now.

Down at Albert Park they are already making plans for a State League debut in 1961. The Greek supporters should be happy with another win today over Sicilia, although a drawn game with Coburg last week indicates that Sicilia may be showing improvement.

Corio are displaying great consistency in League games and scored a useful 1-goal victory over Maccabi last week to avenge their earlier defeat and to keep themselves in the runner-up spot. They should register another two points in today's game with Sunshine City, who are not far from the relegation zone.

The game of the day is between Fiorentina and Moonee Ponds. These teams came up from 2nd Division together at the start of the season and have proved how much they deserved their promotion by currently occupying places in the top four. Both teams are exceptionally strong in defence and a draw is the logical forecast.

University appear doomed for relegation and face a tough opponent today in Croatia and their defence appears to be in for another torrid time. Coburg meet. Maccabi today in what should be an evenly-contested game.

Despite the fact that they are half-way down the ladder, Coburg have only lost one game this season, although they have shared points in four matches. With this in mind it is difficult to see Maccabi winning, but a draw is likely.

Today's selections: **Croatia, Sth. Melb.-Hellas,** and **Corio,** with draws likely between **Coburg-Maccabi** and **Fiorentina-Moonee Ponds.**

First Division Review

Saico Banned for Season

Fiorentina lost the services of R. Saico in the club's battle for First Division honours when the Disciplinary Committee suspended him for the balance of season 1960.

Saico was cautioned by referee G. Hookings for threatening an opponent early in the match against Sunshine City.

Later, while disputing a decision, Saico allegedly pushed the referee and "adopted a threatening attitude," for which he was promptly sent off.

Before he left he placed the palm of his hand over the referee's face and pushed.

Saico was formely known as Saico I or Saico the Elder when he played for Juventus with a younger brother, who died last year.

Keuken Leads State League Goal Scorers

Wilhelmina's sharpshooter Keuken is still the State League's leading goalscorer with 15 goals to his credit.

Into second place this week comes teammate Harry Luyten with a bag of 11 goals.

And their nearest rivals are all on seven goals apiece.

With Keuken and Luyten both for Wilhelmina, it looks as though this side has the best pair of sharpshooters in the League.

Twenty-six goals between them is some tally! Good luck, boys. Keep banging 'em in!

Below you will find leading State League goalscorers as named by "Sporting Globe" soccer writers each Saturday throughout the season.

Secretaries are asked to co-operate by sending information about their players.

✦ Abbreviations are as follows: F (Footscray), GC (George Cross), H (Hakoah), J (Juventus), M (Melbourne), Mor (Moreland), P Polonia, Pr (Preston), S (Slavia), W (Wilhelmina).

HIS FOOTWORK PAID OFF

Spain's top dancer, 35-years-old Alfredo Gil, thanks an apprenticeship in Soccer football for his rise to his present salary of £2,000 a week.

Gil, who is principal dancer and partner in the touring Spanish Ballet, played in the World Soccer championships at Rome in 1940, when he was given a medal for his efforts by Dictator Mussolini.

But as a top flight centre-forward in international matches his earnings were likely to amount to about £200 weekly.

So his friends persuaded him to try his "wizard feet" on the stage instead of as a soccer centre-forward.

In celebrations following matches by his team from Seville, Gil had always jumped to the nearest table and executed a fiery dance of victory.

As a result he did not need much persuasion to switch his career to ballet and today wears a gold bracelet awarded by General De Gaulle after one of his shows in France.

Gil said: "Soccer footwork is a wonderful start for a dancer.

"I still love soccer and would like to play a game in Australia if possible.

Naturally, there is risk of injury, but a game of football, or what you call soccer, makes the chance worthwhile.

"In soccer and dancing, teamwork is essential.

"As a centre-forward I scored sometimes, but my job was to service the men outside me and let them get the goals," he added.

Australia win Hotel Clash

AUSTRALIA HOTEL 3, MENZIES HOTEL 1.

A large crowd at Middle Park saw two hotels clash in a soccer match for a Challenge Shield donated by Mac Kenzie and Tootel.

A spirited sporting game ended in a win for Australia.

Menzies supporters apparently thought their goalie had let them down so they good-humouredly threw him in the Lake!

The organisation and the amenities had to be seen to be believed. Three chefs, resplendent in their white hats, coats and aprons, conducted a barbecue and were sold out of 100 steaks, 100 cutlets and pounds of "snags."

The afternoon tea section was a similar success, with liberal helpings of everything.—C. GUTHRIE.

FOR COUNCIL'S CONSIDERATION

The V.A.S.F.A. Council will consider in the near future two matters referred by the S.L.M. Committee.

One concerns the promotion and relegation of teams into the State League.

The other concerns special clearance permits to enable surplus players to go on loan for one season to another club and to return automatically to their own club at the end of the year.

Under 12: Leaders, Olympia, travel to Sunshine Park to meet Sunshine City (2nd) and could lose their unbeaten record. Likely winners today are Sunshine City, St. Kilda, Sandringham - Aspendale and Essendon. All clubs in this section should note that JUST are undergoing ground difficulties and should contact the Junior Secretary of JUST, I. Kovanovic.

Under 14 (North): In the Cup replay, Sacred Hearts and Olympia again finished 1-1. It will be replayed at Sacred Hearts' ground today. Hearts to win. In the League, likely winners are Lechia - Newport and Sokil United.

Under 16 (North): A torrid battle is expected at Oberon Ave., St. Albans today between Ajax (leaders) and Sunshine City (2nd), both level on points; ground advantage may decide. Probable winners today: St. Kilda and South Melb.-Hellas.

Under 16 (South): Box Hill are in danger today when they visit Dandenong. Dandenong must win to stay in the race for the championship. Another torrid battle of the giants is expected at No. 2 Oval, Elwood Reserve, where Melbourne should defeat Moorabbin. Brighton should beat Bayswater.

Wilhelmina Under 15 require friendly matches as curtain raisers to Ringwood Un., Warrandyte Rd., Ringwood. Contact 746-8967 (evenings).

Match Reports, June 25: — Under 14 Cup replay, Olympia v. Sacred Hearts, 1-1 (A. Kipka). Replay again finished in a 1-1 draw after extra time. Both teams played great soccer. Hearts were first to score in the 7th minute. Olympia equalised in the 5th minute of the second half through Stan Spiewak, right-wing. Olympia missed two golden opportunities to make the game safe, Jasinski missing with only the goalie to beat and Hearts' goalie saved a free kick from the same player right under the bar.

Olympia Under 12 team overwhelmed Wilhelmina 5-1. Scorers for Olympia: B. Richards 3, E. Kupisz and C. Pleban.

Under 14, North Sunshine v. Sokil United (L. Blank): From the kick-off both teams played fast, entertaining soccer, with North more dangerous than the visitors. North scored with a brilliant shot from C. F. Olinowski after eight minutes. The same player shot over the bar. North attacked repeatedly but found Falcons' goalie, Kowalak, in great form. Falcons fought hard in the second half but seemed to lack co-ordination. A brilliant pass from Olonowski to J. Blank was luckily converted when a tame shot hit the post to roll over the line. From an indirect free-kick just outside the penalty area, Osypiw drove over the bar. Sokil's consolation goal was an own gal scred. by North, R. B. Czerniecki. Sokil pressed hard but could not pierce the strong North defence again.

North Sunshine will hold a dance at the Mariana Hall tonight at 7.30. All proceeds to go to the North Sunshine Club. Roll up.

Under 18, St. Kilda 3 v. Essendon 3 (W. Bradshaw); Essendon kicked-off with 10 players and were soon in trouble. Jones and Voce netted for St. Kilda. With the Dons on their mettle, Wills dominated the middle, with their forwards switching positions, Smith and J. Vojtek equalised. In the second half J. Vojtek put the Dons in front. Saints equalised with seconds to go. Vassillo sent in a scorcher.

Sir, — Heidelberg Soccer Club's position on the League ladder is not healthy. We started the season with practically no team as the over-age juniors who were to make up the side failed to make themselves available. This, coupled with retirements and transfers, left us almost playerless. But we've now moulded together a good team, our draw against Williamstown being no fluke; also our Dockerty Cup defeat by Frankston 3-2 with the winning goal being scored on the last kick of the match. In fact, the ref. added 40 seconds on to the time and the goal was scored in this period. In future, no team in our division can take us lightly as we have a super goalkeeper, full-back, winger and three good inside-forwards. Look out, other clubs.—Yours, etc.,

"SECRETARY,"
Heidelberg Soccer Club.

Sir, — If a player from the defending side handles the ball inside the penalty area unintentionally, and the referee blows his whistle, what would he have to give, a penalty kick or an indirect free-kick from the place it happened?—Yours, etc.,

F. VOLLMER,
Bayswater S.C.

[It must be a penalty kick.—Ed.]

Sir, — Congratulations on your excellent magazine, but, what a blunder, what a colossal error you made when you called your competition "Miss International Soccer." It is bad enough now, with many soccer clubs futilely attempting to retain individual nationalities without a responsible magazine like "Soccer News" encouraging this pitiful attitude, which effectively bars Soccer's acceptance by Australians. It were a better thing by far, had your contest simply been "Miss Soccer," and entrants, "Miss Juventus," "Miss Footscray," etc. I cannot think for a moment that you desire to foster this nationalistic outlook, for it can do nothing but widen the gap between Soccer, and it's eventual acceptance by Australians. You have done Australian Soccer a dis-service, with your "Miss International Soccer." — Yours, etc.,

J. BOEREN.
70 Eagle Parade, Norlane.

Sir, — Although losing against Lions and congratulating them on their win, Collingwood could have had a better result but for the shocking display of refereeing. The referee allowed too much rough play to creep into the game.—Yours, etc.,

PLEASE CLEAN UP SOCCER GROUNDS

Sir, — I have been instructed by my committee to ask if you will publish a request by the Yallourn S.C. to Metro. clubs who have to use public parks for their home grounds. Officials and players of Yallourn Soccer Club are perturbed at the large amount of broken glass and bottles on some of these grounds.

Last week one of our young reserve players fell on a piece of broken glass. We had to rush him to the Alfred Hospital where he had five stitches put in. This boy will be out of the game for at least a month.

What we would suggest is that home team officials should make an inspection of the whole playing area at least half an hour before the game starts instead of rushing up at the last minute to fix nets and mark the ground as is often the case on some grounds. If this inspection were made in a proper manner home team players as well as the visitors would go on the field assured that they were safe from possible injury—Yours, etc.,

J. H. BLUNT,
Sec. Yallourn S.C.

Sir,—On behalf of the Metropolitan League Management Committee, I wish to bring the following points to the notice of all Metropolitan League Clubs:—

- That although all committeemen each belong to a club, they still represent all clubs in the division from which they were elected.
- Generally speaking, the management committee will only be called to meet when there is something to discuss, and only the clubs can provide material for this purpose.

So, rally round secretaries, and send in your moans and groans, or anything else for the welfare of the League in particular and Soccer in general.—Yours, etc.,

WM. F. MACK.
Yallourn S.F.C.
Charles St., Seaford.

Sir,—With reference to the recent Carnival held at Olympic Park, as Tour Manager of the S.A. party, I would be grateful if you would convey to your President, your officials and all responsible for the arrangements — and I would particularly mention our Liaison Officer, Fred Lang, who gave us great service — the sincere thanks of myself, my officials and the players, for the welcome, attention and comradeship enjoyed over the week-end.

I am sure you will feel that the Carnival was a great success (apart from the results) and was well worth while, and it is good to see all games played in a sporting spirit, with inquests on the games held in a similar sporting way. Thank you personally, too, for the arrangements, and we extend to you all every good wish, sincere thanks, and fraternal greetings until we meet again.—Yours, etc.,

L. F. BARKHAM,
Tour Manager, S.A. Party.
[Letter to The Secretary, V.A.S.F.A.].

Sir,—I thought the last edition of "Soccer News" was excellent and liked the cartoon. My wife saw the humour also.—Yours, etc.,
